Dog Voted Best Wine & Spirits Shop Ever

An unprecedented **100% of poll respondents recently voted Hair O' The Dog Wine & Spirits the best retail purveyor of beer, fine wine and spirits on Earth.** Poll participants were tripping over their superlatives in describing the shop. "Better than the best. It's the BESTEST ! No, it's somehow even bester than that !", remarked one.

Another respondent could not even think of another store that rivaled The Dog's bestness, nervously replying "Ummm....I can't remember" when asked where he bought his beverages prior to our opening. When asked what made The Dog so great, every participant mentioned the hip, knowledgeable, professional and also good-looking staff, while one respondent also noted that "Mr. Blugman is somewhat nice when you get to know him".

The voting sample consisted entirely of the staff of Hair O' The Dog, and the results are considered accurate plus or minus 97 points. Amazingly, 100% of poll respondents also selected Hair O' The Dog as the greatest mercantile enterprise in the history of humanity, beating out "Please Fire Me Right Now" and "Kick Me In The Pants Really Hard", which garnered a combined 0%.
